

# cycle parking

## Simple, Rugged, Practical

ASF offers a versatile range of cycle stands from the simple hoop style to the unusual bollard style. However with our engineering and manufacturing knowledge we are able to produce any bespoke design you may care to conceive.

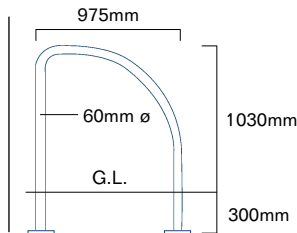

- Size** Standard sizes are shown. However we can manufacture to any height or length and to many different diameters of material.
- Material** Grade 316 stainless steel to BS 1449 part 2 1983 as standard.
- Finish** Highly Polished, Satin Brush Polished or a combination of both are available Products can be also nylon coated to any RAL or BS colour.
- Versions** Root-base or Base-plate fixing is available. An additional cross bar is available on both the ASF 8000 or ASF 8001.
- Insignia** Borough/City/Town Coat of Arms, Crests, Logos etc. can be etched or cut into any litterbin.
- Packaging** All products are vacuum sealed in polythene offering protection until final installation.
