

Cast Iron Tree Grilles ASF 311

Material:

Grade 250 Cast Iron

Standard Finish:

One Coat Williamsons Metal Primer. One Coat Dulux Weathershield Rust Resistant Paint System applied in most RAL or BS colours

Irrigation Holes & Covers:

We can supply tree grilles with irrigation holes and covers in order to give access to the irrigation of the tree root system. Other products relating to irrigation are available on request

Supporting Frames:

Tree Grilles can be supplied with a range of supporting frames depending up to the application: Light, Medium or Heavy Duty Paving Support

Tree Guards

ASF offers a large range of tree guards which fix directly to the supporting frames to provide an extremely rigid and effective method of tree protection. See our section on Tree Guards

Security Clips

Security Clips are available to prevent unauthorised removal of the tree grille segments and to further increase the systems rigidity
