

Resi Bond Units

Finish:

Standard Hot Dip Galvanised. They can be polyester powder coated in any RAL or BS colour on request

Sizes:

These units come in sizes from 700mm Square to 2000mm Square. Standard depth is 75mm deep but other depths of frame are available on request

Tree Guards:

These units can be used in conjunction with our range of different tree guards. The tree guards fix securely to the inner ring of the supporting frame thus making for an extremely rigid and secure unit
